Optional Modules

We have updated our optional modules offerings. These optional modules offer you tailored enhancements to Priority for your business.

Updated Optional Modules

ITshowcase - Sheffield
Tuesday 20th February

ERP Head to Head - Milton Keynes

13th-14th March

We will be contuining to embark on all ITshowcase events. This year we are kicking off the year at Bramall Lane, Sheffield for the first ITshowcase of 2024.

We will be attending the ERP Head to Head event in collaboration with Priority Software.

Last year we achieved the silver award for the best vendor demonstrations, this year we are going for gold!
