

# MEDATECH

## Priority Partners Success

Last week we attended the Priority Software global partners event in Israel.

This event was a great way to celebrate the global success of Priority and it's growing partnerships.

**We are pleased to announce** we won the award for the project of the year! This is a great achievement for the team.

We look forward to the next event.

## Priority Finastra Integration

As a part of our ongoing commitment to offer unmatched services to our users, we are thrilled to announce our collaboration with **Finastra**!

This integration will allow Priority ERP users to make seamless, secure, and fast BACS payments directly from our platform!

## Smart Factory Expo

We are excited to be attending this years smart factory expo at the NEC in birmingham.

This event will be again be a joint effort between the Medatech team and Priority Software showcasing the strong relationship that we have.

## ITShowcase events

We are proud to continue as a gold partner in the ITShowcase events in 2023.

The team have already attending four this year and are looking forward to back to back events in Sheffield and Birmingham next month.

## Publications

We are running a new series of bite sized articles on our LinkedIn offering insights into the different benefits that ERP can offer a business.

We will be publishing these articles on a weekly basis.
