MEDATECH

Wolfenden Concrete go live!

Wolfenden specialise in innovative modern welfare products for the agricultural industry. They are a family run concrete product manufacturer that have been trading for over 40 years.

“We are building our manufacturing and work orders section up, we can see how we are going to be able to analyse our product and time/resource costings to better effect, this will help us streamline the business in the future” - Owner & Managing Director, Richard Moody.

Southern Manufacturing and Electronics -

Farnborough

The team enjoyed an exciting three day event in Farnborough last week accompanied by Priority Software meeting new potentials and networking with various companies.

The event was a great success, the team will be back next year!
